#### REMARKS

The PTO assertion that pages 1 and 2 are missing from the response submitted by facsimile on 2/19/04 is respectfully traversed. Specifically, in the recently received PTO communication, it is asserted that only pages 3-10 of the response have been received. As demonstrated by the attached copy of the facsimile acknowledgement, all 17 pages sent on that date (1 page fax cover sheet, 3 page transmittal sheet (in duplicate), and 10 page response) were successfully transmitted.

In efforts to expedite prosecution and complete the official file, by the present communication, Applicant respectfully re-submits pages 1 and 2 of the response initially submitted by facsimile on 2/19/04, which pages have apparently not been matched with this file. Entry of these pages into the file, and prompt resumption of prosecution is respectfully requested.

The Commissioner is hereby authorized to charge any additional fees which may be required regarding this application under 37 C.F.R. §§ 1.16-1.17, or credit any overpayment, to Deposit Account No. 50-0872. Should no proper payment be enclosed herewith, as by a check being in the wrong amount, unsigned, post-dated, otherwise improper or informal or even entirely missing, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 50-0872. If any extensions of time are needed for timely acceptance of papers
